INTRODUCING THE

TAYLOR HAGEN

MEMORIAL FOUNDATION

A NON PROFIT ORGANIZATION, PASSIONATELY DEDICATED
TO RAISING MENTAL HEALTH AWARENESS & SUPPORTING
CRUCIAL SUICIDE PREVENTION PROGRAMS.

Founded in 2017, after the loss of our brave, adventurous & inspiring son,
Anthony Taylor Hagen, to suicide on January 6th.

The Taylor Hagen Foundation honors his memory, & the memory of other
angels lost since. It is our sincerest effort, to raise mental health awareness &
eliminate negative stigmas surrounding suicide, by creating a community of
understanding, love & support.

A group of people, including men and women in formal attire, are gathered at what appears to be a gala or formal event. In the background, a banner for the T4 Foundation is visible, featuring a teal and white design with the text "A NON PROFIT FOUNDATION DEDICATED TO RAISING MENTAL HEALTH AWARENESS & SUPPORTING SUICIDE PREVENTION EFFORTS & PROGRAMS". The banner also includes a quote: "When each one of us helps, we can help to save lives." and a photo of a man. The overall atmosphere is professional and community-oriented.

WE'RE A PASSIONATE, FAMILY-RUN NONPROFIT
ON A MISSION TO BUILD A VIBRANT COMMUNITY OF

*COURAGE, ACCEPTANCE,
& SUPPORT!*

BY BOOSTING ***MENTAL HEALTH AWARENESS***
AND CHAMPIONING SUICIDE PREVENTION PROGRAMS,
WE'RE SPARKING A MOVEMENT TO SHATTER
NEGATIVE STIGMAS AND CREATE A LOVING,
SUPPORTIVE COMMUNITY WHERE NO ONE HAS TO
FACE THEIR STRUGGLES ALONE.

LET'S COME TOGETHER AND MAKE A DIFFERENCE!

YOUTH PROGRAMS

With our exciting youth programs, we're proud to support kids and teens with meaningful opportunities like counseling, group mental health activities, leadership camps, inspiring school speakers, and mental health training. We also partner with incredible organizations like Flourish, providing affirming care for LGBTQ+ youth, and The Sharing Place, offering grief support for children—populations especially vulnerable to mental health challenges. And that's just the beginning!

AWARENESS EVENTS

We're excited to be out and about all year long—raising awareness, building connection, and showing up for our community with every event we attend and host! Huge thanks to Salt Lake Brewing Company for featuring us in their annual fundraiser and helping shine a light on the work we do. From local collaborations to our fabulous Vision Gala this fall, we're all in and ready to make a difference!

OUR PROGRAMS

BEREAVED MOTHER RETREATS

For our bereaved mothers, we host 3 retreats per year, creating a warm and safe space for moms to bond and connect with each other, and receive grief support and guidance.

HOPE BASKETS

Handcrafted with love by our Angel Mothers, these special baskets are delivered by mail to families who have recently lost a child. Each basket lovingly includes important information on beginning the grief process, journals, brochures, info on local support, and thoughtful gifts crafted by our board members.

SCHOLARSHIP OPPORTUNITIES

We're proud to offer scholarship opportunities for Skyline High School Hockey players—created in memory of Taylor Hagen and the incredible legacy he left on and off the ice. A tribute to his passion, spirit, and love for the game.

WE ARE EXCITED TO ANNOUNCE A NEW

PARTNERSHIP

WITH OUR YOUTH PROGRAMS...

The Taylor Hagen Leadership Camps, run with our friends at Stand 4 Kind, give teens (13–18) ***hands-on training in leadership, resilience, mental-health skills, team building and service*** — all inspired by Taylor’s legacy of lifting others. This year we have two free camps on deck:

PARK CITY, UTAH | July 21st - 23rd

Paddle-boarding, Utah Olympic Park thrills, workshops, a service project and leadership certification

ORANGE COUNTY, CALIFORNIA | October 2025

Ropes courses, ziplines, water adventures, yoga and team-building workshops

We’re proud to power these life-changing experiences alongside Stand 4 Kind, helping the next generation lead with courage, kindness and connection.

On a mission to ***eliminate bullying in schools & promote mental health*** for all.
